Services

for the beverage and packaging industry

-
Reliable, qualified and at fair prices!

You are looking for
a partner
for implementing your projects?

-
Contact us!

BT-Service GmbH specialises in services for the beverage and packaging industries.

Our employees have several decades of project, installation and service experience, as well as extensive machine and plant knowledge in these industries.

Therefore, we are able to offer many different services for machines or plants of the different manufacturers at a high quality.

BT-Service GmbH will gladly be your partner in future plans and draw up your project-specific offer.

Your direct contact is our „Manager Services“:
